Dear Parents, Coaches and All Supports of St. Marys Soccer,

On behalf of the Board of Directors of the St. Marys Soccer Association, I want to thank you for taking the time to review this important information. I especially want to thank you for your continued support of soccer in St. Marys as we move through our transition to a new facility. Be assured that we are working diligently toward establishing a new permanent location for our kids to play.

- Our Spring 2012 season will take place using fields at the St. Marys Area High / Middle School campus. Specific locations for each age group will be provided by coaches after teams are chosen.
- Please note the following rules / changes that are necessary for the Spring 2012 season:
 1. No Parking along the roadways, grass, etc. of the school grounds. Only use parking lots.
 2. No concession stand will be available.
 3. Provide a ball for your child at practice. Because our supply shed will not be located on the school grounds, it will be impossible to provide enough equipment for all practices.

Thank you! Feel free to contact me if you have any questions. See you in the Spring!

Sincerely,

Tom Nicklas
President, Treasurer, Fields Coordinator
